

PROJECT KA122 KNOW YOURSELF TRUST YOURSELF

(September 2023-February 2025)

Objectives

- **Creating a calm climate to encourage success for all**

Enabling students to work on the issue of well-being and compare practices between partner schools.

Considering actions to promote a healthy, positive environment.

- **Making students aware of the different ways in which they can express their citizenship while respecting others.**

Exploring ways of promoting democratic debate within the school.

Learning how to communicate respectfully, especially through social networks.

Details

Group mobilities : 28 students will take part in the various mobilities in groups of 10 or 6 and will be working on one of the two objectives.

Staff mobility : teachers will attend a course in Stockholm on "Learning for and through well-being at school".
